

## **REMARKS**

### **A. Submission of New Drawings and Amendment to Specification**

In response to Examiner's request, Applicant hereby submits Figure 1, which is a flow chart of a look-up table method for custom fitting of apparel according to an embodiment of the present disclosure. Applicant also hereby amends the specification to include references to new Figure 1.

### **B. Response to Rejection of Claims 23, 24, 48, 49, 73, 74, 98 and 99**

Claims 23, 24, 48, 49, 73, 74, 98 and 99 were objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

In response, Applicant hereby amends objected-to claims 23, 24, 48, 49, 73, 74, 98 and 99 to include all of the limitations of base claims and any intervening claims. As a result, Applicant respectfully asserts that claims 23, 24, 48, 49, 73, 74, 98 and 99 are now in condition for allowance. In addition, because the objected-to claims were multiple dependent claims, Applicant hereby adds new independent claims 106-113, which correspond to claims 23, 24, 48, 49, 73, 74, 98 and 99, respectively, but include different intervening claims. For example, claim 23, as filed, depended from claims 17 or 18. Currently amended claim 23 includes all of the limitations of claim 17 as well as claims 1 and 6 from which it depends, while new claim 106 is a duplicate of claim 23 and includes all of the limitations of claim 18 as well as claims 1 and 6 from which it depends.

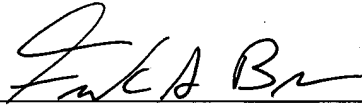

### **C. Response to Rejection of Claims 1-22, 25-47, 50-72, 75-97, and 100-105**

In response, Applicant hereby cancels claims 1-22, 25-47, 50-72, 75-97, and 100-105 without prejudice or disclaimer.

**D. Conclusion**

It is respectfully submitted that the present application is in condition for allowance and prompt notification thereof is requested. If the prosecution of this application can be advanced by a telephone conference, the Examiner is requested to call the undersigned at (212) 530-5456.

Respectfully submitted,

Dated: September 21, 2005
